PROFILE

I am a self-motivated and aspiring Web Developer with over 2 years of experience coding in HTML, CSS, and JavaScript. Currently looking for a full-time job where I can apply my creativity and practice my coding and problem-solving skills.

EDUCATION

Sunnyside High School

2020-2024

- AP Courses Taken: Computer Science Principles, Statistics
- Expected Graduation Date: June 2024

Center for Advanced Research and Technology (CART)

Web Application Development Lab

2023-2024

- Learned how to use programs such as Visual Studio Code, Figma, and GitHub Desktop
- Learned languages HTML, CSS, and JavaScript

EXPERIENCE

CART Showcase

January 11, 2024

- Created a website for an imaginary Jurassic Park-themed full-service restaurant using HTML, CSS, and JavaScript
- Presented our website to students from other labs as well as outside visitors during the day and night
